Miss DeWitt is the eldest of three daughters of Mr. and Mrs. Charles DeWitt, of Roland Park, Baltimore, and is a direct descendant of the Carrolls and the families of Georgia. Mr. Clarke formerly resided in Baltimore, but is now living in Norfolk, and is descended from two of the most prominent families in Maryland—the Formans, of Kent Island, and the Stilles, of Carlisle.

DEPOSITORS WILL GET 20 PER CENT.

First Payment by Receivers of Defunct Alexandria Bank.

WILL BE MADE ON AUGUST 1

Committee Goes to New York to Get Battle Flag of Virginia Regiment.

[Special to The Times-Dispatch.] Alexandria, Va., July 10.—Depositors of the defunct Virginia Safe Deposit and Trust Corporation, which institution was December 28 last placed in the hands of receivers, on August 1 next will receive a dividend of 20 per cent. through the receivers, it is announced.

The proceedings against certain depositors of the Lovington branch of the defunct corporation, in Nelson county, Va., who, it is alleged, withdrew their deposits after the institution was placed in the hands of receivers, is slated to be heard in the Corporation Court before Judge L. C. Barley Wednesday morning. The amount taken out is said to be \$2,192.33, and it is understood that the parties have through their attorney, arranged to turn this amount over to the receivers, thereby obviating further litigation in the matter.

In court this morning, in the case of T. J. Fannon and others against the defunct Virginia Safe Deposit Trust Corporation, a decree was entered confirming the report of the commissioners of sale as the order of the Second National Bank, of Culpeper, of \$2,200 for that bank. This is part of the property turned over to the corporation by C. J. Rixey, president of the Virginia Safe Deposit and Trust Corporation, following the collapse of the latter institution.

The petition of the State Bank of Madison, Inc., for allowance of claim and leave to file same with receivers was entered.

A decree asking for instructions as to the interest on certificates of deposit was entered, directing that interest be paid to December 23, 1910, when the institution was placed in the hands of receivers.

A committee, consisting of William A. Smoot, commander, and Edgar Ward, adjutant, left this morning for Albany, N. Y., for the purpose of bringing back to this city the battle flag of the Seventeenth Virginia Regiment, which was lost by that regiment during the Civil War. This flag will be turned over to them and placed in Lee Camp Hall. A recent act of the New York State Assembly provides that the flag be turned over to Lee Camp.

The July term of the Corporation Court for this city, Judge L. C. Barley presiding, convened this morning, when several matters of importance were considered.

The City Council will hold a meeting to-morrow night, which will, it is expected, be the last meeting of the summer months.

FAILURE OF CROPS DUE TO DROUGHT

Blackstone Fair May Be Called Off—Interest in Politics.

[Special to The Times-Dispatch.] Blackstone, Va., July 10.—The drought continues in this section, and unless it is soon broken the crops will be almost worthless. Not half of the acreage of tobacco and corn has been planted, and that which has been planted is suffering very greatly. One of the largest farms in this section started watering and planting his tobacco to-day, and will try to plant his entire crop that way. If rain does not come in the meantime, the hay crop was a total failure, as there has been practically no rain for nearly two months.

The Blackstone Agricultural Fair Association has called a meeting of the stockholders for the 17th to consider the matter of abandoning the fair because of the failure of crops.

Politics is booming in this county. In spite of the continued dryness and great heat. There are several candidates for nearly all county offices, and all are making an active canvass. For treasurer, the incumbent, George P. Adams, of Blackstone, is being opposed by W. F. Overton, of Blackstone, for sheriff, the incumbent, John B. Tuggle, is being opposed by E. M. Jones, and P. L. Dunn, and all of these live in the same precinct; for Commonwealth's attorney, the incumbent, H. E. Lee, of Crews, is being opposed by W. Monroe Gravatt, of Blackstone, for commissioner of the revenue of Crews District, R. S. Beville, the incumbent, is being opposed by Joseph Vaughan, and for Blackstone District, the incumbent, John Wood Jones, is opposed by A. A. Barbee. Several of the supervisors also have opposition. For the legislature, there are two candidates, both from Blackstone—W. A. Land and T. A. Overby. There is also some interest felt in the race for State Senate between Paul McCrae, of Cumberland; Robert K. Brock, of Farmville, and T. J. Arvin, of Lunenburg. Mr. Brock has been making a very active canvass of this part of the district recently. The others have not been so active here, but perhaps will show up later.

CAMP AT CULPEPER ALMOST COMPLETED
Every Modern Convenience Arranged for Officers and Men of Virginia Regiments. Encampment Begins July 23.

[Special to The Times-Dispatch.] Culpeper, Va., July 10.—The camp of the First Brigade of Virginia Volunteers is rapidly being completed, and by July 18, the date set for inspection, all the work of the contractors will have been finished.

The camp site is on the south side of the town of Culpeper, in the triangular field once the property of Russell Smith, and adjoining the water works. It is exactly three-fourths of a mile by road from the railway station, and on the highway to Orange Courthouse, twenty miles distant.

Brigade headquarters for General C. C. Vaughan and his staff and the United States army officers, who will act as instructors, are on a hill nearest to town. Below are regimental headquarters, and stretching out for 250 yards are rows of tents, divided by company streets for the regiment. The whole camp takes in an area of 300 yards by about 400 yards, and is a city in miniature, for including tents and wooden buildings, there will be about 400 shelters for the 600 men who will live in camp.

Mess Halls and Kitchens. There are fifteen combination mess halls and kitchens. Of these, one is for brigade headquarters, one for all regimental officers, one for the band and scouts, and twelve for the various companies. These mess halls have space for a kitchen and storeroom, and are protected by wire fly screens. Tables and seats are provided in each for fifty men.

There are four large bath-houses in camp. One for brigade headquarters, one for regimental officers and two very large ones for enlisted men. Four incinerators have been provided, and two long stable sheds, one for brigade headquarters, which will be in the camp for more than three weeks. The camp will be thoroughly lighted by arc lights, and water will be piped to every part of the tent city. There will be telephones at headquarters and in the Union telegraph office on the grounds. A recreation tent has been provided, and here will be located the camp post-office, in charge of the chaplain. Writing paper and postcards, stamped with the name and address of the camp, will be provided.

The camp will be open July 20, when General Vaughan and his staff will arrive and occupy brigade headquarters, but not until Sunday, July 23, will the First Regiment reach camp, followed after an interval of a week by the Second Regiment and after a further interval of a week by the Fourth Regiment. A regimental band of about thirty pieces will be on duty during the entire encampment.

TEN GALLANT HANDS CLUTCH HER SLIPPER
New York, July 10.—After the gang plank of the steamship for Bermuda had been drawn ashore at Pier C, Jersey City Saturday afternoon, an athletic young man ran down the pier, and the plank was shoved out again. A space of four feet lay between the end of the teetering skid and the deck. He cleared the span with a jump, and then dozens of hands reached out to help him. He was followed by a young woman, who had followed at the man's heels.

She, too, leaped safely aboard. Among those who tried to assist the woman was Miss Madeline Lopez, of 927 President Street, Brooklyn. She caught the French heel of a dainty white slipper in the lowest rod of the ship's skeleton rail and it fell into the water. Longshoremen jumped upon a raft and rescued the slipper, tossing it upon deck.

The passengers were a typical vacation crowd, and twenty young men reached the French heel of the slipper. Pairs of hands held it at once. Then hands gallantly thrust it upon the young woman, who had done the jumping feat. She looked daggers at the gallants. They should have known better, for she wore the modish short skirt.

A hundred feet away, her blush perceptible to those ashore, little Miss Lopez could be seen limping along deck to claim her property. The girl who jumped was Miss Florence Temple, of 305 West Eighteenth Street.

FINED \$25,000 AND COSTS
Jules Rosenberg Pleads Guilty to Controlling Immigrants.
New York, July 10.—Jules Rosenberg, who with his brother Hugo, has been a fugitive from justice for more than a year, came from Montreal to-day and unexpectedly appeared in the criminal court of the United States Circuit Court and pleaded guilty to unduly influencing immigrants of millinery and dress goods.

Although District Attorney Wise made a strong plea for imprisonment, Judge Archibald fined Rosenberg \$25,000 and costs, amounting to \$5,000.

Rosenberg admitted when he was taken to the marshal's office, but revived just before his counsel arrived, and paid the fine.

Records for Past Year. [Special to The Times-Dispatch.] Bristol, Va., July 10.—Collector L. P. Summers, of the Sixth Revenue District, with offices at Abingdon, has closed his records for the past fiscal year, with collections aggregating \$1,318,879.73. This is the largest record yet, and includes the amount collected on incomes, spirituous liquors, tobacco and cigars. In two days during June the collector took in \$20,000.

WATER PIPES TO BE LAID ON SURFACE

After Existing Emergency Passes, Will Be Removed by City.

DEATH OF FORMER CITIZEN

Bequest to Methodist Orphanage. Boys Execute Court's Sentence.

Times-Dispatch Bureau. 199 North Sycamore Street, Petersburg, Va., July 10.

City Engineer Budd was engaged in making a survey of the line of the water pipes to be laid from Commerce Street to the locks power house of the Virginia Railway and Power Company, a distance of one and a quarter miles. The pipes, in view of the existing emergency, will be laid on the surface of the ground and will be subject to removal after the emergency passes.

Death of Former Citizen. T. L. H. Young, formerly and for many years a resident of Petersburg, where he was actively engaged in business, died suddenly yesterday in the home of his daughter, in Eurekaville. Mr. Young was in Petersburg on Friday and Saturday, and greeted many of his friends, and today his body was shipped through the city to his home at Dunn, N. C., for burial. Mr. Young was eighty-one years old, and is survived by several children. He was a man of sterling character and Christian rectitude, and was one of the charter members of Sycamore Council, Royal Arcanum, of this city. Mr. Young was a brother-in-law of Assistant Attorney-General R. E. Davis.

Death in Dinwiddie. William A. Goodwyn, a prominent citizen of Dinwiddie, died Saturday night at his home, Oak Grove, in that county, after an illness of several months. He was sixty-one years old, and was the son of Dr. John P. Goodwyn, for many years a widely known practitioner. He married Miss Mary Truman, of this city, and is survived by three sons, R. S. A. T. and W. M. Goodwyn, all of Dinwiddie, and four brothers and a sister.

Police Patrol System. Some months ago the Councils made an appropriation and awarded the contract for the installation of a police patrol system in this city. So far no steps have been taken to install the system, known as the signal phone.

Bequest to Orphans. The treasurer of the Petersburg Methodist Orphanage to-day received a check for \$125.50 from the executor of the estate of the late Eth Kull, the amount being a bequest made by Mr. Kull to the orphanage.

Injured in a Runaway. Yesterday afternoon, while a colored man named Roger Williams and a female friend were driving out on Cox Road, in Dinwiddie, their horse took fright at an automobile and ran away. Both occupants were thrown out and considerably bruised. The horse, in his continuing flight, collided with another automobile, breaking the buggy to pieces and damaging the auto.

Escaped Convict Arrested. James Williams, a negro convict, who escaped from the road force near Wytheville, was captured by the police of this city about one o'clock Sunday morning and returned to camp. This was the second time Williams had made his escape.

Not Seeking the Office. An entirely new Democratic City Central Committee of eighteen members is to be nominated at the primary election in September. The Democratic Committee, before closing the list of candidates for other offices last week, gave notice that persons desiring membership in the City Central Committee should also file their notices. One person only responded, showing that but little interest is felt in the organization of the committee.

Homing Pigeon Killed. H. O. Marks, of Ettrick, while at Butterworth's, in Dinwiddie county, several days ago, took a shot with his rifle at some pigeons which were flying by, killing one. The bird was found to be a homer. On one leg was a band bearing the letters J. D. On the other leg was a silver band with "U. S. 719" stamped on it.

Overcome by Heat. Lee Parham, a little son of Mrs. Beatrice Parham, was overcome by heat on Sycamore Street this morning while delivering bills. He received prompt attention and fortunately soon recovered sufficiently to be removed to his home.

Boys Execute Court's Sentence. Before Justice Dunstan, in Ettrick, this morning, some half a dozen negro boys were charged with Sunday bathing in forbidden waters. They were convicted and were ordered to be whipped. The sentence of the court being that the boys should whip each other. The sentence was duly executed in a neighboring barn, and it is said that the job was well and satisfactorily done.

Personal and General. Mrs. Robert C. Osborne is reported as seriously ill at her home on South Sycamore Street.

Dr. and Mrs. M. C. Field will leave to-morrow for New York, whence they will sail for a six weeks' trip to Cuba, Jamaica, Panama and Costa Rica.

RAPID PROGRESS MADE IN TRIAL

Defense Seeks to Discredit Leading Witness for State in Key Case.

[Special to The Times-Dispatch.] Manassas, Va., July 10.—After having been postponed from time to time, the case of the Commonwealth against the boys who is charged with an attack on seventy-year-old Katie Clark in August, 1905, was begun in the Circuit Court of Prince William county to-day. Judge J. B. T. Thornton is presiding. Good progress was made with the case, and it is probable that it will be given to the jury to-morrow afternoon.

The accused, a man of seventy-five years of age, and an uncle by marriage of the child he is alleged to have attacked, denied the allegations of the indictment against him on the witness stand this afternoon.

The attorneys for the Commonwealth are relying strongly on the testimony of J. Willard Green, formerly of this county, but now an officer on the detective force in Washington city, and a half-brother of the Clark child, to secure conviction in the case.

Green apprehended Key in Washington city, and he testified to-morrow that the accused had confessed. About two years ago Green's wife, who was a Miss Kinchloe, of this county, secured a divorce from him in this jurisdiction. The defense to-day undertook to show that the detective divorced wife that while they were residing together in the capital city, Green made a practice of bringing witnesses to his house in order to coach them. Often, said Mrs. Green, the supposed witnesses neither knew the case nor the accused, and the defense with which he was charged. This answer was made in the presence of the court, the jury having been allowed to retire. Judge Thornton ruled that the jury would not be permitted to hear the question and answer.

Mrs. Green caused some surprise when she said that although she had brought the suit for a divorce from her husband, yet Green had attended to having the witnesses gotten, had the depositions taken and had paid the fee of the attorney who secured the divorce for her.

HEARING ON LIQUOR LICENSE.
Question Will Be Settled by Judge Kelly on Wednesday.

[Special to The Times-Dispatch.] Bristol, Va., July 10.—Prominent witnesses will be brought to-day to testify in connection with the application for a license to conduct a bar in the new Hotel Bristol. It is said that the vice-president of the hotel company is opposing the petition for a license. Judge Kelly announced from the bench when the application was made that he had been advised by letter that Charles T. Alexander, head of the company operating the hotel, had sold liquor, or permitted it to be sold in Hotel Bristol, in Chattanooga, in violation of the State laws. The judge said that if this could be proven he would not grant the license sought. It is this question that is to be settled Wednesday.
